ABOUT

Cheyenne @ Central Models

May 23, 2016

Cheyenne is like a boost of energy in an already sunny day. A strong girl, and empowering woman with whom everyone can relate to. She's not afraid to talk about her struggles and imperfections, and that is what makes her so incredibly special. That, and the fact that she even shines brighter when the cameras start shooting. But about this part we don't need to write, as you can just see the pictures for yourself.
